

ACE BODY CORPORATE MANAGEMENT

21st August 2018

Re: ENSA

To Whom It May Concern

The service delivered by ENSA is always professional and personalised.

The team are efficient and their response times to any query being large or small are treated in the same friendly, helpful manner.

Having now worked with ENSA for many years, we would highly recommend their services to any prospective Owners Corporations or Developers.

Yours faithfully,

Meredith Taghi

Director

Owners Corporation/Strata Administration Manager

Ace Body Corporate Management (Hawthorn) branch
